The Swim England Learn to Swim Programme is a world-leading syllabus, helping children and adults to learn how to swim. It's a fantastic experience that opens up new possibilities for everyone, as well as supporting their confidence, enjoyment and safety in the water. Swim England Learn to Swim Awards are a great way to keep learners of all ages and abilities motivated throughout their swimming journey. Our Awards scheme includes both 'core' and complementary Awards. The diagram here shows a swimmer's journey through the core Awards of the four Learn to Swim Frameworks.

Learn to Swim complementary Awards

Complementary Awards keep learners enjoying their swimming whilst they progress through the Learn to Swim Programme. These can be achieved alongside the core Awards in each Framework to reward smaller steps or demonstrate achievement of new skills. Here you will find information on our complementary Awards and the next steps learners can take after achieving their Awards.
